Rooted in Indian  
Knowledge

Shiksha, Sanskar,  
Samridhi

Education for Viksit  
Bharat

Indian Knowledge for  
Vishwa Samridhi

Bharatiya Wisdom for  
Human Development

## The Movement

The Shiksha Mahakumbh Abhiyan is a transformative national movement of Vidya Bharati that brings together teachers, students, researchers, academicians, intellectuals, industry leaders, policymakers, innovators, social organisations, and community institutions to reimagine education for a developed and self-reliant India. Rooted in the Indian Knowledge System (IKS) and guided by the vision of the National Education Policy (NEP) 2020, the Abhiyan seeks to make learning holistic, value-based, multidisciplinary, research-driven, skill-oriented, and closely aligned with nation-building.

Each edition moves beyond dialogue by translating ideas into meaningful action. It fosters partnerships among academia, industry, research institutions, schools, universities, government agencies, civil society, and local communities to develop sustainable educational solutions. The Abhiyan provides a vibrant platform for young achievers to present innovative ideas, research, projects, startups, and models inspired by Bharatiya knowledge traditions, scientific inquiry, and contemporary societal needs. It also promotes Indian languages, indigenous knowledge systems, teacher leadership, experiential learning, entrepreneurship, skill development, community engagement, and collaboration among knowledge institutions to build an inclusive and innovation-driven educational ecosystem.

The Sixth edition of Shiksha Mahakumbh, to be hosted at NIT Hamirpur, carries this journey into the Himalayan landscape of Himachal Pradesh, where education, nature, culture, innovation, and sustainability converge. The edition aims to strengthen the integration of the Indian Knowledge System with contemporary education and research, foster meaningful dialogue between academia, industry, intellectuals, and society, to translate collective wisdom into actionable programmes, policy recommendations, institutional collaborations, and scalable models that contribute to the vision of Viksit Bharat @2047.

## About NIT Hamirpur

National Institute of Technology Hamirpur (NIT Hamirpur), an Institute of National Importance, is one of Bharat's leading institutes of higher technical education, located in Himachal Pradesh. Established in 1986 as a Regional Engineering College (REC), it was elevated to the status of a National Institute of Technology in 2002 and recognized as an Institute of National Importance by the Government of Bharat. Spread over 177 acres, the campus of NIT Hamirpur is known for its calm environment, lush greenery, and the inspiring backdrop of the Dauladhar Range.

The institute offers a wide range of programs including B.Tech, B.Arch, M.Tech, MBA, M.Sc, M.Arch, and PhD covering engineering, architecture, sciences, management, and humanities. NIT Hamirpur actively promotes innovation and entrepreneurship through its incubation centre, research collaborations, technical societies, and student-led clubs. Students participate in national and international competitions, conferences, and hackathons, consistently achieving commendable results.

## About Vidya Bharati

VIDYA BHARATI, DEPARTMENT OF HOLISTIC EDUCATION

Vidya Bharati is one of Bharat's largest non-government educational organisation. Its primary mission is to provide, value-based education that combines academic excellence with a strong foundation in Bharatiya culture, character development, and civic responsibility along with an educational approach that equally emphasizes the physical, mental, emotional, and spiritual development of a student, alongside academic knowledge.

Founded in 2021 under Vidya Bharati Punjab and scaled nationally in 2023 under Vidya Bharati Institute of Training and Research Trust, Department of Holistic Education today functions as a global platform for educational reform, leadership development, and research and innovation in education. Inspired by the philosophy of Vidya Bharati, DHE well integrates traditional creativity with creative thinkers, ethical leaders by integrating Vidya's values, modern knowledge, and experiential learning.

## About Unnat Bharat Abhiyan, NIT Hamirpur

Unnat Bharat Abhiyan is a flagship initiative of the Ministry of Education, Government of India, aimed at connecting higher educational institutions with rural communities for inclusive and sustainable development. The programme encourages students, faculty members, and researchers to understand rural realities, identify local challenges, and develop practical, affordable, and technology-based solutions.

Through village adoption, Unnat Bharat Abhiyan promotes education-led rural transformation. It reflects the idea that education must go beyond classrooms and laboratories and contribute directly to society.

National Institute of Technology Hamirpur serves as the Regional Coordinating Institute for Unnat Bharat Abhiyan in Himachal Pradesh since at least 2021. As RCI, NIT Hamirpur guides and supports participating institutions across the state in planning and implementing village-level development activities.
